Subject: Microsoft Settlement

To Whom It May Concern:

I am opposed to the proposed settlement in the Microsoft antitrust trial. I think it does not fully redress the actions committed by Microsoft in the past, nor inhibit their ability to commit similar actions in the future. I think it does nothing to correct or redress their previous abuses.

I think some of the definitions in Section VI could be better defined . For example:

I think that Definition K: Microsoft Middleware Product could specifically include Microsoft's .NET initiative, Microsoft Outlook and possibly Microsoft Office as Microsoft Middleware.

I think that Definition U: Windows Operating System Product could include the Microsoft Tablet PC and Windows CE.

Thank you.

Sincerely,
Robert Karr
